What is the Rio Vista FFA?

- The Rio Vista FFA is a local chapter associated with the Texas FFA and the National FFA Organization
- We strive to make sure that our students possess the qualities necessary that will help them succeed in and outside of the classroom and accomplish personal growth and development
- Our students participate in a wide variety of activities that range from livestock projects, leadership events, speaking contests, and many career based activities

How your sponsorship benefits the Rio Vista FFA Chapter:

- Payment for entry fees, travel, and meals for Leadership, Career, and Speaking Development Events. These events allow for students to gain necessary skills and advocate for the importance of agriculture.
- Payment for entry fees, travel, and meals for District, Area, and State level conventions and camps.
- Rio Vista FFA Chapter Banquet, a time where active FFA members are recognized for their achievements accomplished throughout the year.
- Fees for jackets provided to hardworking students that would not otherwise be able to afford them.
- Supporting students' agricultural interest, providing opportunities for real-world experiences.

How your sponsorship benefits YOU:

As a supporter of the Rio Vista FFA, you would be making opportunities for aspiring young students a reality, opportunities that would not be possible without you. These experiences will teach students not only responsibility, time management, and integrity, but what it means to be a part of something bigger and have passion for bettering themselves and their community. The Rio Vista FFA is offering five (5) levels of sponsorship. These levels include: Bronze, Silver, Gold, Platinum, and Diamond. All are described in the following page. Not only will your generous contribution be funding the Rio Vista FFA Chapter, it will also be recognized at the annual FFA Banquet. We would love to maintain contact with you to share the accomplishments of the students whom you are supporting. Thank you so much for your sponsorship towards the Rio Vista FFA Chapter.
